- make requests or process requests received;
- exchange information aimed at the execution of the contractual relationship, including pre and post contractual activities;
- carry out the operations necessary for processing orders and other requests;

Data Destination

The personal data processed by the Data Controller will not be disclosed, or will not be disclosed to indeterminate subjects, in any possible form, including that of their availability or simple consultation. Instead, they may be communicated to workers who work for the Data Controller and to some external subjects who collaborate with them. They may also be communicated, to the extent strictly necessary, to persons who for purposes of processing orders or other requests or services related to the transaction or contractual relationship with the Owner, must provide goods and / or perform on behalf of the Owner services or services. Finally, it may be communicated to the persons entitled to access it under the provisions of the law, regulations, and community regulations.

In particular, based on the roles and tasks performed, some workers have been entitled to process personal data, within the limits of their competences and in accordance with the instructions given to them by the Owner.

Data Transfer

The Data Controller does not transfer personal data to third countries or to international organizations.

However, it reserves the right to use cloud services; in which case, the service providers will be selected among those who provide adequate guarantees, as required by art. 46 GDPR 679/16

Data Retention

The Data Controller retains and processes personal data for the time necessary to fulfill the purposes indicated. Subsequently, personal data will be stored, and not further processed, for the time established by the current provisions on civil and fiscal matters.

Rights of the interested party

With reference to art. 7 of Legislative Decree 196/2003 and Articles 15 - right of access, 16 - right of rectification, 17 - right to cancellation, 18 - right to limitation of treatment, 20 - right to portability, 21 - right of opposition, 22 right to oppose the automated decision-making process of GDPR 679 / 16, the interested party exercises his rights by writing to the Data Controller at the address above, or by email, specifying the subject of his request, the right that he intends to exercise and attaching a photocopy of an identity document attesting the legitimacy of the request.

The contact form for exercising rights can be requested at the following address

With reference to art. 23 of Legislative Decree no. 196/2003 and art. 6 of GDPR 679/16, the interested party can revoke any consent given at any time.

However, the processing of this information is lawful and permissible, even without consent, as it is necessary for the execution of a contract of which the data subject is part (the service supply relationship) or for the evasion of his requests.

Complaint proposal

The data subject has the right to lodge a complaint with the supervisory authority of the state of residence.

Refusal to provide data

Clients who are natural persons cannot refuse to give the Data Controller the personal data necessary to comply with the laws that regulate commercial transactions and taxation.

The provision of further personal data may be necessary to improve the quality and efficiency of the transaction.

Therefore, the refusal to provide the data required by law will prevent the fulfillment of orders; while the non-conferment of additional data may compromise all or part of the processing of other requests and the quality and efficiency of the transaction.

Persons working in the name and on behalf of clients, legal entities may refuse to give the Data Controller their personal data.

The provision of personal data is however necessary for a correct and efficient management of the contractual relationship. Therefore, any refusal to provide the data may compromise the contractual relationship in whole or in part.

Automated decision-making processes

The Data Controller does not carry out processing that consists of automated decision-making processes on the data of natural persons clients, or of natural persons operating in the name and on behalf of clients, legal entities
